

**GOLD EXCHANGE**  
the gift of giving

We appreciate your business and your comments! Please let us know about your experience!

Hi Les, I am so thankful for all of us meeting you! The opportunity has been great. I especially love sharing this experience with others. It's like a "pay it forward" - It's a "gift" (of \$\$) that keeps on giving. My party far exceeded any of my expectations! I had a wonderful turn-out! People should really do this for their friends & family.

Thanks Les - you're a great guy & I look forward to more parties in the future!

Thanks,  
Jicki

P.S. my party made \$1500.00 wow it's been great!
