

**GOLD EXCHANGE**  
— the gift of giving —

**We appreciate your business and your comments! Please let us know about your experience!**

Dear Kes,

I am so happy with the results of my gold party. My friends & clients were elated with the extra cash they made from selling their Gold. I was especially happy with the \$ Cash I made as the hostess of my party. Thank you for doing such a great job! I appreciate it, "Pay it forward!"
